

Adab Singh Kapoor & Associates

We take responsibility

OUR MISSION

**To provide outstanding
legal solutions with a strong emphasis
on ethics**

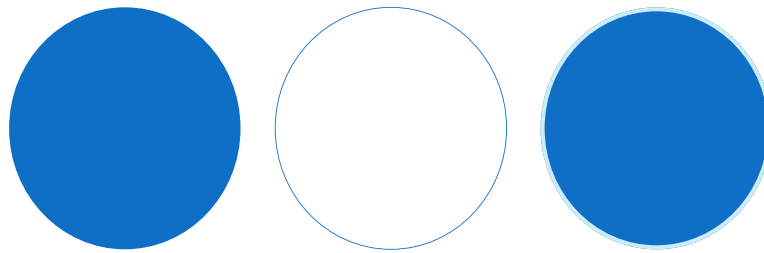

ABOUT US

We would all agree that entering into litigation is not the most pleasurable experience. With huge costs, delays, uncertainties attached and strained relationships between friends, relatives, companies etc, one would rather avoid getting into it.

At, Adab Singh Kapoor & Associates, we empathize with our clients and strive to provide legal solutions in their best interest. We feel responsible for the clients taking our services and Endeavour to provide results to their complete satisfaction. In doing so, we build and maintain strong client relationships.

Our practice extends across diverse areas of law in various forums and jurisdictions. We are confident that our approach towards handling matters would continue to attract a wide spectrum of clients, whether individuals, start-ups, institutional or multi-national. As we grow, with the faith entrusted in us by our clients and with our experience in handling complex matters in diverse fields, we will soon be a force to reckon with and figure amongst the most sought after law firms in India

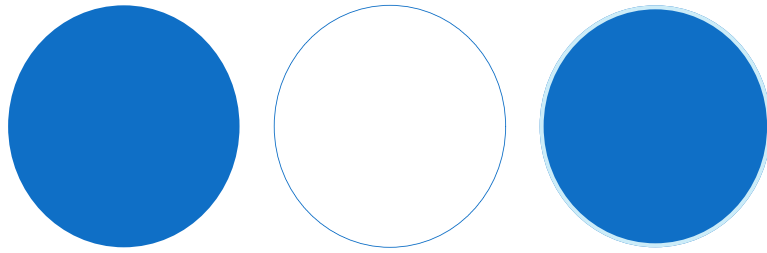

SERVICES WE PROVIDE

ARBITRATION AND ADR

The Firm has an experienced hand working on various arbitration proceedings involving documentation, research, drafting and briefing senior counsels in disputes inter alia concerning Electricity Generation, Distribution and Trading companies. We also have experience in handling ancillary litigation in arbitration disputes arising before the Supreme Court and the Delhi High Court on behalf of a diversified client base ranging from individuals to multi-national companies.

BANKING & FINANCE

The Firm has the ability to serve its clients in all aspects of Banking & Finance including asset securitization, capital markets, mutual funds and insurance. The banking and finance sector is a dynamic sector with ever changing laws. We offer services for actively assisting our clients in navigating their way through the various issues arising from the changing laws.

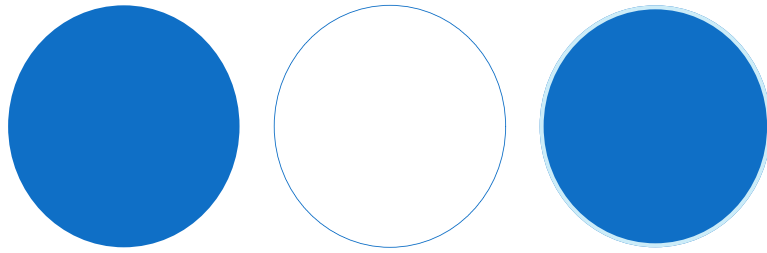

COMPETITION/ANTI-TRUST

Recently we have seen a surge in Competition law practice. We understand the impact of competition laws on domestic and foreign M&A, takeovers, JVs and like alliances. Our Firm is well equipped to handle all aspects of competition law practice ranging from anti-competitive agreements, abuse of dominance, cartels, consumer laws, concession arrangements, joint ventures, merger control etc .

CORPORATE AND COMMERCIAL

The corporate practice at Adab Singh Kapoor & Associates is enviable in all matters including corporate advisory matters. Corporate and Commercial practice covers corporate finance, private equity, corporate recovery etc. The expertise and in-depth knowledge in the corporate field allows us to formulate effective strategies for our clients in such matters. We continue to provide legal assistance to our clients in their journey of growing their business. We help them to manage their existing commercial relationships, form alliances and expand into new markets.

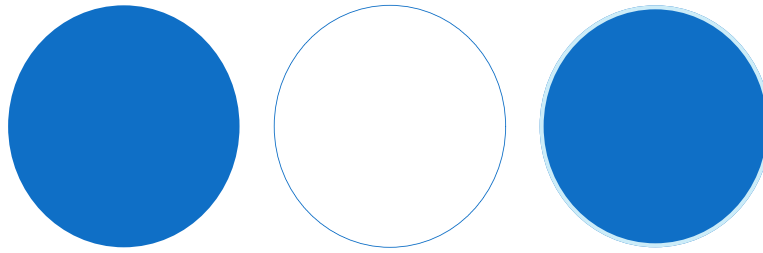

ENERGY

We at Adab Singh Kapoor & Associates aim to assist governments, regulators, multinational corporations and financial institutions in a continually evolving legal and regulatory regime. We seek to provide service at every level including - bidding, project development, financing, M&A, restructuring on an ongoing basis where we will be involved at all stages, including conducting due diligence, drafting and negotiation of various types of documents, to name a few, power purchase agreements, state support agreements, fuel supply contracts, production sharing contracts, gas sales and purchase agreements and financing security documentation.

EMPLOYEMENT, LABOUR AND SERVICES

Recruiting, retaining and managing the right people, has never been more critical. We understand our clients' rights, obligations and duties whether as an employer or an employee. While we know how to help our clients to manage their risks in relation to employment-related issues we also know how to help employees get their rights and benefits from the erring employers. We provide planned, calculated and a board-level advice on vital employment issues. We have also rendered advise/represented cases of various Government Servants, senior ranking officers of different Para-military forces in India for the matters relating to other services benefits before Central Administrative Tribunal, the High court and the Supreme Court .

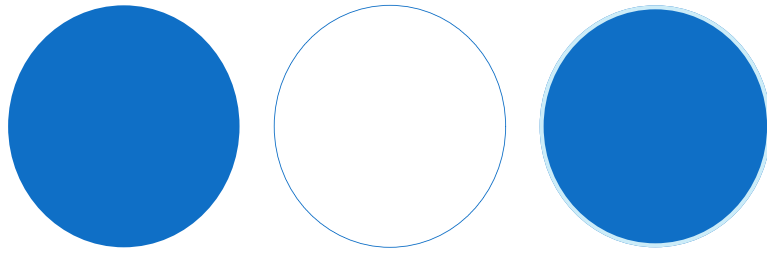

INTELLECTUAL PROPERTY

Adab Singh Kapoor & Associates has experience in strategy planning and handling matters pertaining to various aspects of Intellectual Property Rights such as patents, trademarks, designs, copyright etc. Significant portion of our practice involves helping clients minimize the risk of infringement of their intellectual property. We provide legal advice in connection with all aspects of Intellectual Property, including its registration, exploitation and enforcement.

INFRASTRUCTURE AND PROJECT FINANCE

We understand the critical issues involved in infrastructural projects. To serve such crucial problems we provide our legal representation across various practice areas in related matters, such as energy, infrastructure, banking and finance, with an ultimate motive of delivering our client with the most suitable and feasible way out. We are involved in advising both borrowers and lenders in connection with various matters such as due diligence, drafting, negotiation and vetting of loan and security documentation and such general corporate issues.

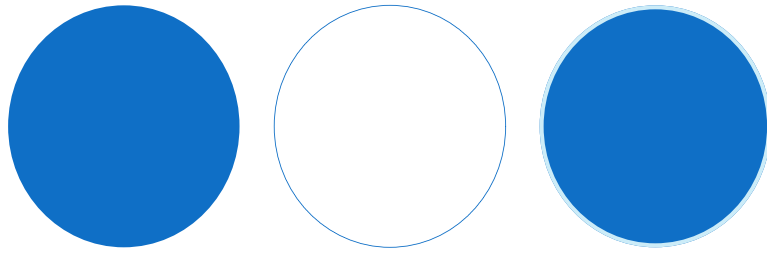

IMMIGRATION

We understand the plight of a person in a foreign country, very often not knowing the language of that country and who is harassed unnecessarily. We provide legal representation to international business executives, private and public companies, banks, investors and individuals on their often intricate and controversial immigration matters. Wherever you are in India or around the world, we will strive to address your immigration related issues.

INSOLVENCY AND BANKRUPTCY

At Adab Singh Kapoor & Associates, we deal in matters, including advisory, transactional and litigation pertaining to insolvency practice. We have represented sick public sector companies before BIFR, AAIFR and the High Court through the stages of getting the Draft Rehabilitation Scheme sanctioned to its implementation and all antecedent negotiations/proceedings arising in the interim.

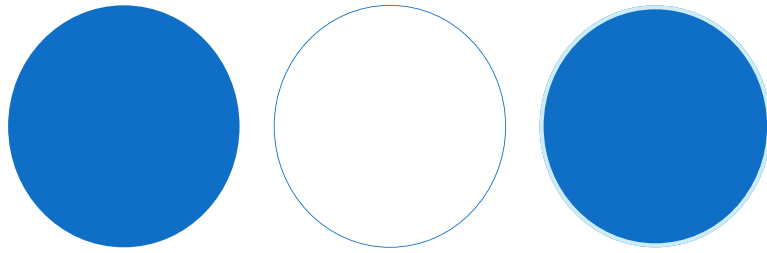

LITIGATION

We at Adab Singh Kapoor & Associates formulate innovative dispute resolution methods and strategies. We take recourse to legal remedies which deliver the desired results most effectively as well as efficaciously. We handle matters pertaining to diverse areas of law across various forums and in different jurisdictions. We extensively handle, corporate litigation, property related disputes, family and matrimonial disputes, criminal matters and consumer cases.

REAL ESTATE

With the Government continually wanting to make the real estate transactions more transparent, there is a need to understand and implement the changing laws in this sector to avoid disputes and risks. Accordingly, it is imperative to devise legal strategies in consonance with changing laws to safeguard the companies operating in these areas. We at Adab Singh Kapoor & Associates focus on all aspects of property and real estate laws to ensure that our client is always on the right side of the law.

TAX

We at Adab Singh Kapoor & Associates help in formulating effective strategies by implementing innovative tax planning. We have an admixture of company secretaries and lawyers to represent our clients before various tax tribunals as well as to provide them comprehensive advice and contemporary tax solutions
